

ARTICLE 24 - PHYSICAL EXAMINATIONS

- 24.1 Examinations for tuberculosis are required every four (4) years. All bargaining unit members shall be notified in writing one month before the expiration date of their test.
- 24.2 If the District has reason to believe that a bargaining unit member's health is such as to create a condition of jeopardy to the school program or to the well-being of students or other personnel, the District may require bargaining unit member to submit to a physical or mental examination at District's expense.
